Hello, I hope you are well.

My name is [REDACTED] and I am part of the team here at Endsleigh. We are an insurance broker specialising in the Charity and Not For Profit sectors and have over 30 years' worth of experience in finding the right insurance solutions for many organisations just like yours.

We understand that times are difficult currently, especially when it comes to paying the bills. That's why it is our aim to help try and save both time and money, by doing all the hard work for you.

I have attached a form for you to complete which will give us enough information to be able to schedule a quick conversation with one of our team to go into the finer points of the policies that you are interested in. This can be done on either the telephone or any video calling service at a time and date to suit you.

Your dedicated adviser will then use their vast knowledge of the sector to find policies that work for you at a price we think you'll like. Our appointment slots are filling up fast so please get in touch as soon as you can.

If your insurance isn't due for renewal currently or you have just renewed elsewhere, then please reply with your renewal date and I will be back in touch closer to the time.

I have also attached some information about the services that we offer and our partnerships within this sector, but please feel free to ask any questions that you may have.

Alternatively, if you are already a valued customer of ours then please pass this on to anyone who you feel could value from our services. We do offer a referral reward for you should they join us too!

Thank you for your time and I look forward to hearing from you soon.

With my warmest regards,
